Need Help?

If you need assistance using the app, or if you encounter any issues, we're here to help!

✉ Mail us at: farmware@gmail.com

Tips for best experience

- Enter cow data accurately for better prediction results.
- Review medical records regularly to monitor trends.
- Share reports with your vet for better diagnosis and treatment.

Thank You!

Thank you for using Farmware App to care for your cows.
We're proud to support farmers with smart, reliable, and easy-to-use technology.
Your trust and feedback help us grow and improve. 🐄💚
